RESPONSE TO RESTRICTION ACTION DATED OCTOBER 14, 2004

In response to the Restriction Action dated October 14, 2004, having a shortened statutory period for response set to expire on November 14, 2004, please enter this Response and reconsider the claims pending in the application for reasons discussed below. Although Applicant believes that no additional fees are due in connection with this Response, the Commissioner is hereby authorized to charge counsel's Deposit Account No. 20-0782/STRR/0004.C1/DHE, for any fees, including extension of time fees or excess claim fees, required to make this Response timely and acceptable to the Office.

Remarks begin on page 2 of this paper.

A. Election of Group II (claims 24 and 33-34)

The Examiner has issued a Restriction Requirement concerning the claims. More specifically, the Examiner has restricted the claims according to the following groups:

- I. Claims 21-23 and 25;
- II. Claims 24 and 33-34;
- III. Claims 26-27;
- IV. Claims 24 and 35; and
- V. Claim 32.

Applicant hereby provisionally elects the claims in Group II, to wit, Claims 24 and 33-34, with traverse.

B. Election of Species A (Figures 1-6)

The Examiner has issued a restriction to patentably distinct Species A (Figures 1-6) and Species B (Figures 7-9). Applicant traverses on grounds that the Examiner has not carried his burden of proving Species A and B should be restricted from one another. Nevertheless Applicant provisionally elects to prosecute Species A, and submits that all the pending claims (claims 20-35) are readable on Species A when the drawings are viewed in light of the specification.

This is intended as a full and complete response to the Restriction Action dated October 14, 2004, having a shortened statutory period for response set to expire on November 14, 2004. Further, this response is timely.

Respectfully submitted,

Douglas H. Elliott
